

# Edward Harris, Jr. Middle School

## How are we implementing PBIS at our school in Tier 1?

The Tiered Fidelity Inventory (our PBIS assessment) indicates that we were implementing Tier I with fidelity at 93% in 2021-22 school year. Within the core features, we were above benchmark in Implementation and Evaluation. In our action plan, we have focused on items to improve our Team structure by recruiting a parent team member and providing family/community surveys for input. For 2022-2023 we were implementing Tier 1 with fidelity at 100%.

## What is our Suspension Rate?

Our 2021-2022 suspension rate of 11.98% was above the district average of 4.22%. Our 2022-2023 school average is 9.49% because of teaching school wide expectations during our 2-day Kickoff, implementing follow up lessons in advocacy, and strengthening our RICH ticket rewards system. Our Restorative Practices room also helps with consistent reflections, consequences, and restoration of students back to the learning environment.

## How is our attendance? (Attendance report ran from August to April)

2021-2022: 80%                      2022-2023: 94%

## State Testing Results (California Assessment of Student Performance and Progress)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	EHMS		EGUSD		State	
	2018-2019	2021-2022	2018-2019	2021-2022	2018-2019	2021-2022
ELA	53%	52%	56%	52%	50%	47%
Math	39%	35%	45%	40%	37%	33%

## What is our Action Plan for the next school year?

In reviewing our data, we have the following goals:

- 1) Our school site is putting systems in place to strengthen tier 2 supports with fidelity.

If you are interested in serving as a member of the PBIS Team, please contact Frances Mosley at [fmosley@egusd.net](mailto:fmosley@egusd.net) or call the school at (916)-688-0080 extension 30672.
