

ELK GROVE UNIFIED SCHOOL DISTRICT

7th / 8th Grade EHMS Competitive Sports

Permission Slip

I _____ give my son/daughter _____
(Parent/Guardian) (Please circle one) (Student)

Permission to participate in the Edward Harris, Jr. competitive sports program during the season. Participation in this program offers interscholastic competition for our students. **Some sports will be a combined 7th and 8th grade team during the season with the intent on building a cohesive team for the following season while also being competitive. This is not a recreational or intramural program and playing time is not guaranteed. Since it is an inter-school program, students are required to attend ALL practices during a given week in order to participate in that weeks game.** There is a Fall, Winter, and Spring Season. The tryouts will be held at least 3 days a week and players will be cut at the coach's discretion. A schedule of practice days and time for the season will be given to your child, once he or she makes the Edward Harris Team.

We also hope that our parents will support us by attending games as a spectator and possibly helping out from time to time with fundraising. Parents are responsible for bringing and picking up their child at a reasonable time during scheduled games and practices. Parents wanting to speak or approach the coaches regarding the student athlete's performance during game days must wait until the following day after the game to meet with the coaching staff in regards to their concerns. We are looking forward to working with you and your child over the upcoming months.

PHILOSOPHY

The foundation of the Harris Competitive Sports Team consists of introducing sports as a unique and enjoyable form of athletics that involves every type of person. At Harris the emphasis is on teamwork, effort, and physical improvement. In order to coach an athlete to excel during games, practices are mandatory so that the team environment reflects a serious, organized, yet enjoyable and supportive atmosphere. Some of the characteristics that the student athlete should strive for are teamwork, responsibility, effort, modesty, and being a leader. Academic work is of utmost importance and student athletes must be academically responsible in the classroom.

ACADEMIC PERFORMANCE

All students desiring to be a team member will need to meet the requirement of 2.0 G.P.A. with no F's or unsatisfactory citizenship grades during the grading period prior to the tryouts and regular season. Bring a copy of a current transcript or progress report to the day you have tryouts.
